In the ~~g~~ G.O. cited above, the Government were pleased to permit the re-employment of retired clerks upto a maximum of 18, that is 3 for each of the six Survey Parties.

Consequent on the expansion of the staff in the 4 Survey and Land Records Ranges for the Survey of minor Estates, the necessity for experienced Survey Clerks is being felt there also. The Board considers that atleast one experienced retired clerk should be employed in each Range Office. It accordingly requests that the Government may be pleased to permit the appointment of ~~th~~ one retired clerk in each of the 4 Ranges. The present number of 18 retired clerks permitted by the Government to be re-employed, will not be exceeded. The proposal is merely to utilise some of the 18 re-employed men in Range Offices if it should be found to be necessary.
